### **Eastern Illinois Foodbank Joins Feeding America's Hunger Action Month Campaign to Ensure Food Isn't an Impossible Choice for More Than 100,000 People Facing Hunger in Eastern Illinois**

*Hunger Action Month Campaign Aims to Inspire the Public to Get Involved and Raise Awareness of Hunger in America*

**URBANA, IL – September 1, 2021** – For Hunger Action Month® this September, Eastern Illinois Foodbank will join Feeding America and other network member food banks to inspire people to take action and raise awareness of people facing the impossible choice of hunger. Food banks around the country are working to make a real and lasting impact on food insecurity in their communities, and they are asking for the public's support.

September marks the 14<sup>th</sup> year Feeding America, the nation's largest domestic hunger-relief organization with a nationwide network of 200 food banks, including Eastern Illinois and 60,000 partner food pantries and meal programs, has organized the annual call to action. This year's campaign presents the impossible choices that millions of Americans must make between food and other basic needs.

"For many, a daily meal is a simple choice of what to eat," said Claire Babineaux-Fontenot, CEO of Feeding America. "For people facing hunger, a daily meal poses a very different type of choice. It's often an impossible decision between food or other crucial needs, such as electricity, childcare, or medicine. Nobody should be forced to make a choice to go hungry. With the public's support, we can come together to help people achieve long-term food security, so they no longer have to make such tough decisions."

During the month of September, people across eastern Illinois can get involved in the movement by learning, committing, and speaking up about ways to end hunger.
